

DR. DEANA MURPHY

SPEAKING RESUME

She's firm in her own conviction and confidence. She's enlightening and challenging as she's stirring and encouraging. Dr. Deana Murphy is a living example of how the spiritual, then natural elements of life design are the keys to living a rewarding life. As a Marketplace Minister, Prolific Author and Transformation Speaker, Dr. Deana uncovers the common challenges, confusion and fears that every woman stumble upon. She shares the strategies and solutions that create major breakthroughs in their lives enabling them to achieve personal accountability, emotional clarity and inner direction.
